25 YEAR RE-REVIEW

FEDERAL BUREAU OF INVESTIGATION
United States Department of Justice
Washington 25, D.C.

April 29, 1946

PERSONAL AND CONFIDENTIAL
BY SPECIAL MESSENGER

Rear Admiral Sidney W. Souers
Director
Central Intelligence Group
Room 4253
New War Department Building
21st and Virginia Avenue
Washington, D. C.

Dear Admiral Souers:

I have reviewed the draft of a proposed CIG directive concerning "policy on clearance of personnel for duties with Central Intelligence Group", enclosed with your letter of April 25, 1946.

The minimum investigation of CIG personnel as set forth in the directive would appear to be satisfactory from the standpoint of determination of an individual's qualifications in the light of the personnel standards from the security standpoint set up in the directive. I would like to suggest that the provision that a minimum of 10 years honorable government service where there is no subsequent information creating a suspicion of disloyalty or question as to discretion may constitute the basis for clearance of an individual for duties with the Central Intelligence Group may make possible the entry of unsatisfactory persons into the employment of the Central Intelligence Group.

It is believed that there are many persons in government employment for a period of ten years or more and who have what appears to be unblemished records insofar as integrity and loyalty is concerned who do not make satisfactory employees for the Central Intelligence Group from the security standpoint. I would like to suggest that consideration be given to eliminating this provision and that an investigation be required of all persons, or that they must have undergone a satisfactory previous security investigation.

Sincerely yours,

J. EDGAR HOOVER (Signed)
